# ABOUT US

Maryah Printers was founded in 1989 at Islamabad, Pakistan on the principles that committed quality of service and advancement of printing technology in Pakistan.

Over the years, we have diversified our portfolio of services, providing the latest solutions in digital media, branding, printing & packaging and corporate merchandising. MP is driven by a desire to innovate and develop methodologies and solutions that cater to the specific requirements of our clients. This is the reason we have become a leading printing firm in Pakistan.

The professionals at MP strive for the best customer experience. The diverse and dynamic pool of skills of our workforce ensure that a comprehensive solution is provided for the customer product specifications.

We have expanded and are currently located in Islamabad, Lahore and Karachi.

## MISSION

“Perfection, precision and printing par excellence”

Maryah Printers strategic success is a result of various contributing factors ever since our establishment in 1989 at Islamabad. Strengthened with dedicated team of professionals and the faith of our customers, we are fortunate to become one of Pakistan's leading printing firm.

We truly feel honored and proud to develop this arising enterprise and manage with Allah's Almighty's grace the most technologically advanced printing production facility in the Islamabad and Rawalpindi area.

None of this could have been possible without the optimism and the dedication of our team. We started with providing printing services, but we could not just confine our interests to this arena. Henceforth we have been fortunate and successful in expanding our services to digital media, branding solutions, printing technology, advertising and corporate merchandising solutions.

The main gratification comes from providing employment opportunities for people, rendering them to prosper both personally & professionally for the betterment of the society.
